Key Insights

With over 10 years of history, our intimate retreat centre Shambala Gatherings has earned a well-established reputation within the wellness industry. We offer professional support to our teachers by dealing with customer queries, taking bookings, chasing payments as well as acquiring a strong presence via our varied digital channels:

- Website

Thanks so much for an Amazing midsummer weekend and celebration ❤️ It was only 3 days but it felt like a week and I am so grateful that I came. It was the first time at borntorp for me but not the last time. I really want to come back ❤️💚💜

I have stayed at Shamabala Gatherings both as a volunteer and retreat guest (and later this year will be hosting an Acro/Handstand Retreat there!). The place is simply magical. The forest is straight out of a fairytale, the floating sauna is divine, the food nutritious and the sense of community and family that surrounds the team is like nothing I have experienced before. By far the best community I have ever been a part of. Highly recommend, and can't wait to be back 🙏❤️
